

## Don't miss this first-time-ever event!

**Farm Fest '08**, scheduled for **Aug. 13-14**, will be a celebratory and educational event designed to provide our valued customers with an informative, behind-the-scenes look at TFC and the Co-op system. Co-op member-owners and partners will be invited to this one-of-a-kind occasion for a unique glimpse at the assets, manufacturing facilities, and infrastructure of one of the most successful and tenured farmer-owned regional cooperatives in the U.S. Start making your plans today!

**Farm Fest '08** will feature:

- **Tours** — TFC staff will lead guided tours of the LaVergne Feed Mill, Metal Fabrication Plant, Warehouse, and Ag Equipment.
- **Education** — Topics will include the Tennessee Ag Enhancement Program, Co-op education, and trends in agronomy.
- **Demonstrations** — Many of your favorite manufacturers will conduct field demos of sprayers, loaders, fertilizer spreaders, GPS systems, cattle-handling equipment, fuel production, and more.
- **Vendor displays** — More than 125 agronomy, feed, animal health, and hardware vendors have been invited.
